Having consulted the ESF Committee,

Whereas:

- (2) On 23 June 2020 Greece submitted, through the electronic data exchange system of the Commission, a request for an amendment to the operational programme. - (3) The amendment to the operational programme consists in the transfer of the ERDF resources available for programming for the year 2020 from the operational programme "Attica" to the operational programme "Competitiveness, Entrepreneurship and Innovation" (CCI 2014GR16M2OP001). The transfer of resources does not include a change in the allocation by category of regions.

- (5) In accordance with Article 30(1) of Regulation (EU) No 1303/2013, the request for the amendment to the operational programme is duly justified by the response to the COVID-19 outbreak, and in particular, the need to allocate additional resources to the operational programme "Competitiveness, Entrepreneurship and Innovation" in order to finance the business support measures within the frame of the dedicated, national support programme. The programme indicators are also modified to reflect the transfer of funds. The amendment to the operational programme sets out the expected impact of the changes to the programme on achieving the Union's strategy for smart, sustainable and inclusive growth and the specific objectives defined in the programme, taking account of Regulation (EU) No 1303/2013, Regulations (EU) No 1301/2013² and (EU) No 1304/2013³ of the European Parliament and of the Council, as well as of the horizontal principles referred to in Articles 5, 7 and 8 of Regulation (EU) No 1303/2013.
- (6) In accordance with point (e) of Article 110(2) of Regulation (EU) No 1303/2013, the monitoring committee by written procedure on 19 June 2020 examined and approved the proposal for the amendment to the operational programme, taking into account the text of the revised operational programme and its financing plan.
- (7) The Commission assessed the revised operational programme and did not make observations pursuant to the second sentence of the first subparagraph of Article 30(2) of Regulation (EU) No 1303/2013.
- (8) The amended elements of the revised operational programme subject to the Commission's approval under Article 96(10) of Regulation (EU) No 1303/2013 should therefore be approved.
